

AMERICAN SOCIETY OF ANIMAL SCIENCE

Equine Science Award

Name of Award: The American Society of Animal Science – The Equine Science Society Equine Science Award.

Nature of Award: A plaque.

Purpose: To recognize outstanding achievement in the areas of extension, research, teaching, or agribusiness in the equine industry.

Eligibility for Nomination:

- Candidates must be a current member of ESS and ASAS and a member of both associations for the past three years.
- Candidate's accomplishments must have served the missions of ESS and ASAS in discover, dissemination, and/or application of knowledge that has benefitted the equine industry.
- Area of achievement may be in extension, research, teaching and/or agribusiness as it related directly to the equine industry.

Dossier must include the following materials:

- CV/Biography of the nominee.
- A summary of scholarly work noting the impact and originality of the work (not to exceed 8000 characters and spaces).
- Letters of support from at least two members of ESS and/or ASAS is required. Up to three additional letters may be submitted for a total of no more than five letters. A letter from an industry representative or producer is appropriate.
- Citation for printing and reading (not to exceed 1000 characters and spaces).
- Photo of nominee (photo will only be used in the awards program and will not be visible to the award review committee).

Award Section Committee: The committee will consist of five committee members with at least three having membership in both ESS and ASAS. The chair of the committee will be an ASAS Director (non-voting).

Award Presentation: The award will be presented at the annual ASAS meeting and the recipient will also be recognized at the ESS meeting that follows the ASAS meeting.
