MEMBERSHIP INFORMATION AND APPLICATION

American Society of ANIMAL SCIENCE

The American Society of Animal Science is a membership society that supports the careers of scientists and animal producers in the United States and internationally. The American Society of Animal Science fosters the discovery, sharing and application of scientific knowledge concerning the responsible use of animals to enhance human life and well-being.

MEMBERSHIP BENEFITS

- An electronic password-protected subscription to the *Journal of Animal Science* and *Animal Frontiers*, with an optional subscription to the printed versions of both
- Discounted fees for the society's international, national and sectional meetings
- Reduced page charges for articles published in the *Journal of Animal Science*
- Access to an online password-protected, searchable directory
- Opportunities to highlight your own work by contributing to the ASAS newsletter, blogs, press releases, podcasts, and social media
- Opportunities to share educational materials on our new peer-reviewed Educators' Toolbox
- Opportunities to participate in online services such as web chats and webinars.
- Access to the latest society information on the ASAS website (www.asas.org), including position announcements, ASAS newsletters, meeting information, and links to sites of interest to animal science professionals
- A convenient means of presenting abstracts at national and sectional meetings and submitting manuscripts for publication in the *Journal of Animal Science*
- Networking opportunity for scientific and personal interaction with peers
- The ability to demonstrate leadership by serving on the Board of Directors or society committees
- Eligibility to be selected for prestigious society-sponsored awards
- Opportunities to post resumes and job searches on the ASAS job resource page

SECTION PREFERENCE

US, Canada, and Mexico residents: If you wish your primary section to be different from the one in which you reside, indicate your choices below marking 1 for primary section and 2 for secondary section.

If you select more than one section, the cost will be an additional \$10 per section.

- Midwestern Northeastern Southern Western

TYPE OF MEMBERSHIP DUES

All dues include electronic access to *Journal of Animal Science* and *Animal Frontiers*

- Professional** **\$135**
Available to any person who has research, educational, commercial, or administrative responsibilities or interests in the broad disciplines within animal science.

- Individual Sustaining** **\$375**
Available to any individual engaged in animal agriculture with an interest in offering additional support to the programs of the society such as the *Journal*. Additional benefits to Individual Sustaining Members include recognition on the back of the *Journal*, on the website, and at the Annual Meeting.

- Postdoctoral Fellow*** **\$65**
Available to postdoctoral students. Certification of eligibility is required. Membership includes electronic access to the *Journal*.

- Transitional** **\$55**
Available to students transitioning from student membership to professional membership without the initial increase in cost. This is a 60% savings off of a professional membership and is available to you for up to three years. As a transitional member you will still receive the same benefits of a professional membership

- Corporate Sustaining** **Contact ASAS**
Open to any company or organization engaged or having an interest in animal agriculture and wishes to support the society's programs and activities. A representative from the Sustaining Member company or organization is entitled to all benefits of a Professional Member and additional benefits, including a subscription to the print and electronic versions of the *Journal of Animal Science* and *Animal Frontiers*; recognition in the *Journal* and on the website; one complimentary national meeting registration; the abstracts of the National and Sectional meetings; and online published symposia.

Graduate Student* **\$20**

Available to any regularly enrolled graduate student who is certified by an advisor and does not hold a full-time job. Membership must be certified annually.

Undergraduate Student* **\$0**

Available to any regularly enrolled undergraduate student who is certified by a Professional Member/Advisor and does not hold a full-time job. Membership must be certified annually.

**Certification of eligibility is required for Student and Postdoctoral memberships. I certify that the applicant is either a regularly enrolled college student who does not hold a full-time position or is a postdoctoral fellow under my supervision.*
