Hotel Reservations: Room reservation information can be found on the SAAS Web site: <http://www.saasinc.org/2011-CorpusChristi/WelcomePg.asp>. The Animal Science sessions are scheduled to take place at the **AmericanBank Center** and it is recommended that you reserve rooms in the **Omni Hotel Bayfront Tower**. Group rates for the "Southern Association of Agricultural Scientists" are \$124 for Single and Double, \$134 for Triple/Quad. Group rates will apply 3 days prior to and after the conference dates. The deadline for room reservations at these rates is 5:00 PM CST, Friday January 14, 2011.

Call for Papers: Members are encouraged to submit abstracts of papers for oral presentation. Abstracts must be submitted electronically on or before **11:59 p.m. CDT October 13, 2010**. Abstracts not meeting this deadline will be rejected. Other criteria for acceptance or rejection will include those outlined in the "Instructions for Abstract Submission" and "Quality Standards for Abstracts", which may be found on the ASAS Web site: <http://www.asas.org/southern/2011.asp>. ASAS Papers will be presented on February 8 and 9, 2010. Presenters will be expected to submit PowerPoint shows for their oral presentations to the respective committee chair in advance of the meeting (more details will be provided by the respective chair). Committee chairs will be expected to provide a computer with all shows pre-loaded and a video projector for their session. Any other video presentation equipment must be provided by the presenter.

Teaching and Undergraduate Education Abstracts: In addition to abstracts submitted for the Undergraduate Student Presentation Competition, the committee calls for abstracts that support and advance the scholarship of teaching and learning. Contact the committee chair with questions about abstract appropriateness.

Submission Requirements: All abstracts must be submitted electronically via the World Wide Web: <http://www.asas.org/southern/2011.asp>. Instructions for submitting the abstract are available on the Web site. You will be given a **tracking code** when you submit the abstract. If you submit more than one abstract, you will receive a separate tracking code for each one. It is very important that you keep a record of these. You may revise submitted abstracts any time before the deadline, but you can only access your abstract using your email as login and the password you selected. You may identify which abstract to edit by the tracking code. After reading these instructions, if you have any questions regarding submission, contact the ASAS Business Office (abstract@assoqh.org).

Meeting Registration: Registration for the Southern Section American Society of Animal Science and the Southern Association of Agricultural Scientists will be in an area to be designated in the AmericanBank Center. Extra copies of abstracts will be available at \$5.00 per copy. The registration area will also serve as a message center. Registration fees have been changed for this meeting. Fees for professional members of the Southern Association of Agricultural Scientists and Southern Section ASAS will still be \$80.00 (\$60.00 SAAS fee + \$20.00 ASAS fee). Non-ASAS members will be charged a \$225.00 fee, but if they wish to join ASAS, they can pay \$80.00 SAAS fee plus \$135.00 in ASAS dues for a total of \$215 and save \$10.00.
