Overview of CadmiumCD Abstract Submission Site:

Abstract Text is limited to 300 words. Title and keywords are not included in this count.

You will need to create a new account within the CadmiumCD System by clicking the "Join Now" button if you have not used the system for a previous ASAS meeting. If you have used the system before and do not remember your login, please click the Lost your access key?

Welcome to the 2019 Annual Meeting Submission Site

General Information

Members are encouraged to submit original research, teaching, and extension papers. Oral papers or posters should consist of original, completed work that has not been accepted for publication in a journal.

Authors need to be aware of patent considerations before submitting abstracts for publication.

After the deadline, it will not be possible to submit abstracts. When you submit your abstract, you will be given an abstract ID number and password. Make a note of these; they will allow you to revise your submitted abstract at any time before the deadline. **Please have the abstract ID number on hand when contacting the ASAS office with questions or concerns regarding your abstract submissions.**

Click here for a list of the Competition Guidelines.

Click here to view the Quality Standards for Abstracts.

Click here to view information on the AnimalX talks for the Opening Session

Submission Fees

There is a required $40 technology fee per abstract due upon submission. This fee helps mitigate the cost of e-Posters and the Virtual Meeting.

The system will not let you proceed to the confirmation step until an abstract is paid for.

First time users need to complete the privacy information policy.

Abstract Requirements
The author submitting the abstract is responsible for its content and the quality of the preparation.

Abstracts are required for all general presentations and all student competitions. Invited Speakers are not required to submit an abstract.

Individual Program Committees have the responsibility of accepting or rejecting abstracts. Criteria for acceptance or rejection will include those outlined in the "Quality Standards for Abstracts" on the right side of the page, as well as originality, clarity, and merits into one combined paper is urged whenever possible.

Please note: Abstracts will only be accepted or rejected. There will be no revisions after the deadline.

The Overall Program Chair has the authority to restrict the number of abstracts accepted. The Program Committee Chairs have the authority to restrict the number of presentations per presenter. However, there is no limit on the number of abstracts an individual may submit. **Please note: the presentation format you request may not be the format assigned to an accepted abstract.** Individual Program Committee Chairs have the prerogative of placing papers submitted for oral presentation into a poster presentation, or vice versa.

Proposal Title
A proposal must have a short, specific presentation title (containing no abbreviations) that indicates the nature of the presentation.
