## GENERAL MEETING INFORMATION

### Schedule of Events

The 2022 ASAS CSAS Annual Meeting will be held June 26-30, 2022. The opening session will be Sunday evening followed by the opening reception. Join us for an evening with friends, family, and food as we celebrate the kick-off of the 2022 ASAS -CSAS Annual Meeting.

### Location

The 2022 ASAS-CSAS Annual Meeting will be held at the Oklahoma City Convention Center and area hotels. The stunning new Oklahoma City Convention Center is a \$288 Million project funded by the MAPS3 capital improvements program in Oklahoma City. The new venue will feature glass walls, making use of natural light with breathtaking views of Scissortail Park. Narduli's "Virtual Sky" will grace the glass atriums facing Scissortail Park across the street. The artwork evokes Oklahoma's beautiful skies and the state's links to aviation history.

### Scientific Program Highlights

As we continue to try and add meeting value and control attendee costs, we have opted to change the "flow of scientific presentations. Rather than have all scientific topics and species on all days, we are planning to group as follows:

- Non Ruminant: Tuesday afternoon, Wednesday, Thursday morning
- Ruminant: Monday, Tuesday
- Companion Animal: Tuesday/Wednesday
- Overlap/Interdisciplinary/Multi-species: Tuesday, Wednesday, Thursday morning

Our goal is to allow our attendees increased travel flexibility. The divisions listed above will account for approximately 90% of the presentations in those categories.
