## Abstract Submission Site Instructions

You will need to create a new account within the CadmiumCD system by clicking the “Join Now” button.

### Welcome to the 2020 ASAS Southern Section Meeting Submission Site

#### General Information

Individuals are encouraged to submit original research, teaching, and extension papers. Oral papers should consist of original, completed work that has not been accepted for publication in a journal.

Authors need to be aware of patent considerations before submitting abstracts for publication.

After the deadline, it will not be possible to submit abstracts. When you submit your abstract, you will be given an abstract ID number and password. Make a note of these; they will allow you to revise your submitted abstract at any time before the deadline. **Please have the abstract ID number on hand when contacting the ASAS office with questions or concerns regarding your abstract submissions.**

## Abstract Requirements

The author submitting the abstract is responsible for its content and the quality of the preparation.

Abstracts are required for all general presentations and all student competitions. Invited Speakers are not required to submit an abstract.

Individual Program Committees have the responsibility of accepting or rejecting abstracts. Criteria for acceptance or rejection will include those outlined in these instructions and the [Quality Standards for Abstracts](#) document, as well as originality, clarity, and merit. Consolidation of results into one combined paper is urged whenever possible.

The Overall Program Chair has the authority to restrict the number of abstracts accepted. The Program Committee Chairs have the authority to restrict the number of presentations per presenter. However, there is no limit on the number of abstracts an individual may submit.

## Proposal Title \*

A proposal must have a short, specific presentation title (containing no abbreviations) that indicates the nature of the presentation.

The confirmation page indicates that your submission was successful. This page also includes links to submit a new abstract, access your submitted abstract and a link to resend your confirmation email.

The screenshot shows the confirmation page for the 2020 ASAS Southern Section Meeting. The page is divided into three main sections: EVENT INFORMATION, YOUR PROFILE, and SUBMIT FEEDBACK. The EVENT INFORMATION section provides details about the 2019 Southern Section Meeting, including the location (Sheraton Oklahoma City Downtown Hotel), dates (January 26-29, 2019), and a link to contact the event organizer. The YOUR PROFILE section shows the user's name (Lindsey Burnett) and a link to view or edit their profile. The SUBMIT FEEDBACK section includes a link to the feedback form. Below these sections is the ABSTRACTS section, which shows that the user has 1 complete abstract, 0 incomplete abstracts, and 0 withdrawn abstracts. A red arrow points to the 'Thank you, your abstract was successful' message, and another red arrow points to the 'Click here to begin a new Abstract' link. A blue circle highlights the 'Thank you for completing your submission. We would love to hear your feedback on this system.' message, with a blue arrow pointing to the 'Feedback Form' link in the SUBMIT FEEDBACK section. A red arrow points to the 'RESEND CONFIRMATION EMAIL' link.
