Section had also been discussed at the meeting and is a definite possibility for
instruction to explore the idea with the other sections. A possible technical teaching
agreement, subject to approval of the membership, to attempt to develop a joint
section with the Agronomy and Dairy Sections on Range Utilization. These being
sessions would be included in the program at the meeting where it has been tentatively
next year and been discussed at this meeting, it seems that the best possible joint sessions for
the annual meeting next year. He also reported that possible joint sessions for
Southwest Section. They will make their report at a later date, presumably at
1962. He reported that at this meeting Dr. C. W. Kimball and Dr. C. J. Hobbs
executive committee and several past presidents, the evening of February 6.
