

Minutes of Business Meeting of the Southern Section  
 AMERICAN SOCIETY OF ANIMAL SCIENCE  
 Atlanta, Georgia  
 February 4, 1964

President R. F. Wheeler called the Annual Business Meeting of the Southern Section, American Society of Animal Science to order at 4:00 P.M., February 4, 1964, in the Cypress Room, Atlanta Cabana Motel, Atlanta, Georgia.

A motion was made by S. L. Hansard of Louisiana to dispense with the reading of the minutes of the previous year's business meeting. The motion passed.

R. F. Sewell gave the Treasurer's report, copy attached, indicating that 159 members had paid dues of \$1.00 each and that \$500.00 had been received from the National Society to help defray cost of the Sectional meeting.

President Wheeler called for the report of the Nominating Committee. This report was submitted by the Committee composed of Doctors C. S. Hobbs, Chairman, J. P. Fontenot, and T. J. Cunha. The Committee submitted the following names:

President	Dr. W. M. Warren Animal Science Department Auburn University Auburn, Alabama
Vice-President	Dr. R. F. Sewell Department of Animal Husbandry University of Georgia Athens, Georgia
Secretary-Treasurer	Dr. C. E. Lindley Department of Animal Husbandry Mississippi State University State College, Mississippi

With no nominations from the floor, a motion was made to elect this slate of officers by acclamation. The motion carried.

President Wheeler then called for a report of the Resolutions Committee composed of Doctors Bryan Baker, Chairman, R. L. Shirley, and A. D. Tillman. The report of this Committee is attached. A motion by Chairman Baker for acceptance of the report was seconded by C. S. Hobbs and passed.

The Awards Committee composed of Doctors W. C. Godley, Chairman, P. K. Lewis, and N. C. England requested that any suggestions for changes in selection of the Award winners be forwarded to this committee by March 1, 1964. The committee will make their report to the Executive Committee of the Southern Section.

President Wheeler then called for new business and announced that the Southern Section, American Society of Animal Science will meet in Dallas, Texas,

in February, 1965. He also announced that the American Society of Animal Science Meetings will be held in Knoxville, Tennessee, on August 9-13, 1964.

Dr. C. S. Hobbs requested the cooperation of the Institutions represented in the Southern Section in helping to plan for the August meetings. He suggested that information on points of interest in the Southern States was particularly needed as many of those who plan to attend the meetings in Knoxville would like such information.

President Wheeler also announced that the meetings of the American Society of Animal Science would be held at Michigan State University in 1965 and at Rutgers University in 1966.

President Wheeler asked for expressions of opinion on limiting the time for presentation of papers at future meetings to 12 minutes with an additional 3 minutes being allotted for discussion. No motion was made to this effect, but the general consensus of opinion appeared to favor this procedure.

During the three day meeting February 3-5, 1964, a total of 64 technical papers were presented to the group. A total of 158 persons signed the attendance register with others probably attending who were not counted.

Respectfully submitted,

R. F. Sewell, Secretary

RFS/wb

## REPORT OF RESOLUTIONS COMMITTEE, 1964

Be it hereby resolved that the Animal Science Section of the 61st annual convention of the Association of Southern Agricultural Workers express its appreciation to the members of the University of Georgia's staff for assistance given and arrangements made to make this meeting a success.

Be it further resolved that the officers of this section be commended for the organization and conduct of the fine programs.

Be it further resolved that the members presenting papers be commended for the quality of the papers presented, for their efforts to stay on schedule and for presenting materials on well prepared slides and mimeographed hand-outs.

Be it further resolved that those young members, who presented papers in the awards section, be especially recognized for their fine contribution to the program.

Be it further resolved that gratitude be expressed to the management and employees of the Atlanta Cabana Motor Hotel for the facilities and assistance furnished during the meetings.

Be it resolved also that the officers of this section appoint a research committee, whose function it would be to lift up and to point out to the members areas in which new or expanded research is vitally needed.

Be it resolved that the officers consider the appointment of a committee who would have the function of looking into the ways and means of accomplishing the following:

1. Recognition of members of this section who have retired from active service in the field of Animal Science.
2. Giving recognition to any member who has made an outstanding contribution to the field of Animal Science.

Respectively submitted:

Bryan Baker, Jr.  
Allen Tillman  
R. L. Shirley  
RESOLUTIONS COMMITTEE
