

# 2008

**Northeast ADSA/ASAS Annual Business Meeting Minutes**  
**July 9, 2008, 12:30 – 2:00 pm**  
**Room 116 Indiana Convention Center**  
**2008 National ADSA/ASAS Annual Meeting**  
**Indianapolis, IN**

At 1:07 p.m. the NE-ADSA/ASAS President **Dr. Richard Erdman** (MD) called the meeting to order. **Dr. Erdman** made introductions of the current executive committee, **Dr. Mike Van Amburgh** (NY), Vice President and **Dr. Erin Connor** (USDA-ARS, MD), Secretary/Treasurer.

Reports were provided from the ASAS and ADSA National Societies. **Dr. Mary Anne Drake** (Outgoing ADSA President) thanked the organizers of the meeting and mentioned the outstanding quality of the meeting and its organization. She also thanked **Paula Schultz** for all of her hard work. National ADSA activities include:

- 1) ADSA Board has created a JDS Superfund to enable publishing without page charges by 2018. It requires creation of a \$25M endowment fund.
- 2) S-PAC is doing well and expanding with new members and affiliate memberships.
- 3) The first leadership development workshop was offered in January 2008 for Division and Board members.
- 4) The Presidential Reception has been re-instituted.
- 5) A new web page has been launched.

**Dr. Mike Galyean** (ASAS President) provided the following updates:

- 1) Membership without institutes is at about 4000 members. The numbers are up from last years'.
- 2) "Taking Stock" has been initiated to increase communication with members via email.
- 3) The new E-career tool on the website has been very successful for linking students and employers.
- 4) This is the largest Joint Meeting with over 41 symposia. The Southern Section in Dallas had its largest meeting; the Midwestern Section had >1000 attendees and the Western Section had >200 attendees and held the first webinar (about 100 physically attended and about 30 via the web). More webinars will be held in the future.
- 5) Members are encouraged to look at the strategic plan on line which includes increasing involvement of other species besides livestock.

6) FASS has made a big financial turn around and is doing well. They are working on finding a replacement for **Dr. Jerry Baker**.

7) The impact factor for JAS is 2.1 for the first time and it has a new Editor in Chief, **Dr. Steve Zinn** (CT).

**Dr. Rich Barczewski** (NE ASAS Board of Directors) gave the following updates:

- 1) Encouraging students to become members of the National Association. Undergraduates are reminded that membership is free.
- 2) Encouraged members to nominate worthy candidates for awards.

**Dr. Mike Van Amburgh** asked for a motion to approve the minutes from the 2007 Meeting in San Antonio distributed prior to the 2008 meeting. **Dr. Rich Barczewski** (NE ASAS Board of Directors) made the motion and **Dr. Emmett Inskip** (WV) seconded the motion. The motion carried.

**Dr. Erin Connor** gave the Treasurer's Report. The NE-ADSA/ASAS treasury had a balance of \$6633.56 on Dec. 31, 2006 and a balance of \$5386.21 on Dec. 31, 2007. This reflects a net decrease of \$1247.35. The majority of expenses are attributed to NE-sponsored awards and plaques. **Dr. Mike Van Amburgh** provided an update on approaching Agway for \$10K. He got an initial negative response but will re-approach with different wording that does not emphasize "scholarships." The status of the treasury is solid but will need to increase dollars in the near future. **Dr. Rich Barczewski** made a motion to approve the report and **Dr. Michael Westendorf** (NJ) seconded the motion. The motion carried.

**Dr. Steven Zinn** presented the Graduate Student Paper Competition awards. There were 3 judges and an alternate judge that were recognized: **Dr. Mike Van Amburgh**, **Dr. Mark Mirando** (USDA-CSREES, Washington, DC), **Dr. Tanya Gressley** (DE) and **Dr. Rich Barczewski** (alternate). There were 6 presenters including **J.A. Elizondo-Salazar** (Penn State), **A.K.G. Kadegowda** (Univ. of MD), **L.E. Ford** (Univ. of VT), **J.M. Scudder** (Univ. of VT), **J.D. Starkey** (Univ. of CT) and **J.G. Titus** (Univ. of VT) (photo below). Each presenter received a check in the amount of \$150 towards travel expenses. The award winners were **Jennifer Skutter** (3rd place), **Lindsay Lord** (2nd place) and **Jessica Starkey** (1st place).

**Dr. Steve Zinn** presented the 3rd Place Award to **Jennifer Skutter** (left), the 2nd Place Award to **Lindsay Lord** (middle), and the 1st Place Award to **Jessica Starkey** (right) for the 2008 Graduate Student Paper Competition.

**Dr. Zinn** indicated that this would be his last year coordinating the Graduate Student Paper Competition, which would be taken over by **Dr. Kristen Govoni** (CT).

**Dr. Erin Connor** (left photo, right) presented the 2008 Young Scientist Award for Research to **Dr. Adam Lock** (Department of Animal Science, University of Vermont), which was accepted by **Dr. Dale Bauman** (NY) (left photo, left) on Dr. Lock's behalf. **Dr. Mike Van Amburgh** (right photo, right) presented the 2008 Distinguished Service Award to **Dr. Steve Zinn** (right photo, left).

**Dr. Richard Erdman** indicated there was no new business to discuss.

**Dr. Mike Van Amburgh** introduced the incoming Secretary/Treasurer, **Dr. Doug Waterman** who is the Director for Dairy Technology Application at Nutreco Canada Agresearch.

**Dr. Mike Van Amburgh**, as new president, initiated a discussion of means to increase undergraduate involvement in scientific meetings and suggested a one-day conference by the society to increase exposure of undergraduates to science and industry. **Dr. Peter Erickson** (NH) indicated that the Northeast Student Affiliate (NESA) competitions held at Penn State and University of Connecticut were successful and suggested joining with them. **Jennifer Skutter** and **Lindsay Lord** indicated that they had participated in NESA competitions and found the experience to be a good introduction to scientific meetings at the national level. Faculty members were encouraged to make undergraduates more aware of the ADSA/ASAS societies and it was

suggested that regional nutrition conferences could add an undergraduate competition. **Dr. Dale Bauman** also suggested adding networking opportunities for students to meet with faculty members.

Incoming president, **Dr. Mike Van Amburgh** (left) presented the honorary gavel to outgoing president **Dr. Richard Erdman** (right).

**Dr. Tony Capuco** (USDA-ARS, MD) made a motion to adjourn the meeting, which was seconded by **Dr. Richard Erdman**. The motion passed unanimously and the meeting was adjourned at 1:55 p.m.

Respectfully submitted,

*Erin E. Connor*

Outgoing Secretary/Treasurer  
NE ADSA/ASAS

## North East Section Report

The North East Section of the American Society of Animal Science is functions in cooperation with the North East Branch of the American Dairy Science Association. Currently, the President of the Section is Richard Erdman from the University of Maryland, College Park, Vice President is Mike Van Ambraugh and the Secretary/Treasure is Erin Conner. The Section plans once again on holding their sectional meeting, graduate student paper competition and gathering at the 2008 Annual meetings in Indianapolis, Indiana. The section also hopes to continue to support graduate students who participate in the paper competition with partial travel stipends to help offset the costs of traveling to the meeting.

## North East Section Report Summer 2008

The North East Section of the American Society of Animal Science functions in cooperation with the North East Branch of the American Dairy Science Association. Presidents of the North East section, progress through the officer ranks with elected individuals alternating between both associations.. Currently, the President of the Section is Richard Erdman from the University of Maryland, College Park, Vice President is Mike Van Ambraugh and the Secretary/Treasurer is Erin Conner. The Section is once again planning on holding its sectional meeting, graduate student paper competition and gathering at the 2008 Annual meetings in Indianapolis, Indiana with the meeting and awards presentation being held at a Tuesday luncheon. The section continues to support graduate students who participate in the paper competition with partial travel stipends to help offset the costs of traveling to the meeting as well as with awards for the top placing paper presentations. There continues to be some discussion on the possibility of planning and/or supporting a symposium at an upcoming annual meeting.
